Dear Requester:

This is the final response to your Freedom of Information Act (FOIA) request, originally received by the United States Secret Service (Secret Service) on June 13, 2017, for information pertaining to all processing notes, search slips, the administrative case file and any other responsive records associated with a FOIA request filed by the Wall Street Journal on May 15, 2017, in which the newspaper sought "recordings or transcripts of any recordings made after Jan. 20 within the White House."

Enclosed are documents responsive to your request. In an effort to provide you with the greatest degree of access authorized by law, we have considered this material under the FOIA statute, Title 5 U.S.C. § 552. Pursuant to this Act, exemptions have been applied where deemed appropriate. The exemptions cited are marked below.

In addition, approximately 48 page(s) were released, and approximately 0 page(s) were withheld in their entirety. An enclosure to this letter explains the exemptions in more detail.

☒ If this box is checked, deletions were made pursuant to the exemptions indicated below.

☒ Fees: In the processing of this FOIA request, no fees are being assessed.

☐ Other:

If you deem our decision an adverse determination, you may exercise your appeal rights. Should you wish to file an administrative appeal, your appeal should be made in writing and received within ninety (90) days of the date of this letter, by writing to: Freedom of Information Appeal, Deputy Director, U.S. Secret Service, Communications Center, 245 Murray Lane, S.W., Building T-5, Washington, D.C. 20223. If you choose to file an administrative appeal, please explain the basis of your appeal and reference the case number listed above.

Additionally, you have the right to seek dispute resolution services from the Office of Government Information Services (OGIS) which mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Please note that contacting the Secret Service's FOIA Program and/or OGIS **is not** an alternative to filing an administrative appeal and **does not** stop the 90-day appeal clock. You may contact OGIS at: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001. You may also reach OGIS via e-mail at ogis@nara.gov, telephone at 202-741-5770/toll free at (877) 684-6448, or facsimile at (202) 741-5769.

Dear Requester:

This is the final response to your Freedom of Information Act (FOIA) request, originally received by the United States Secret Service (Secret Service) on May 15, 2017, for information pertaining to:

File Number 20171601: All recording systems installed by the Secret Service or another agency within the White House on or after November 8, 2017, including but not limited to instructions to create or amend such systems and descriptions of such systems, such as their location and details of their operation, as well as preservation practices established with relation to NARA; and

File Number 20171602: Recordings or transcripts of any recordings made after January 20, 2017 within the White House.

In response to your request, the Secret Service has conducted a reasonable search for responsive records. It appears, from a review of Secret Service's main indices, that there are no records pertaining to your request that are referenced in these indices.

Alternatively, if you deem our decision an adverse determination, you may exercise your appeal rights. Should you wish to file an administrative appeal, your appeal should be made in writing and received within sixty (60) days of the date of this letter, by writing to: Freedom of Information Appeal, Deputy Director, U.S. Secret Service, Communications Center, 245 Murray Lane, S.W., Building T-5, Washington, D.C. 20223. Attn: Louise Radnofsky

File Numbers: 20171601 - 20171602

Dear Requester:

This letter is intended to acknowledge the receipt of your recent Freedom of Information Act (FOIA) request, received by the United States Secret Service (Secret Service) on May 15, 2017, for information pertaining to:

File Number 20171601: All recording systems installed by the Secret Service or another agency within the White House on or after November 8, 2017, including but not limited to instructions to create or amend such systems and descriptions of such systems, such as their location and details of their operation, as well as preservation practices established with relation to NARA; and

File Number 20171602: Recordings or transcripts of any recordings made after January 20, 2017 within the White House.

You have requested expedited processing of your request under the Department of Homeland Security (DHS) standard permitting expedition when a requester demonstrates a "compelling need."

Your request, for expedited treatment, has been denied.

Under the DHS/FOIA regulation, 6 C.F.R., Chapter I, Part 5 § 5.5, expedited processing of a FOIA request is warranted if the request involves "circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual" ((d)(1)(i)), or "an urgency to inform the public about an actual or alleged federal government activity, if made by a person primarily engaged in disseminating information" ((d)(1)(ii)). Requesters that seek expedited processing must submit a statement explaining, in detail, the basis for the request. Additionally, FOIA regulation, 6 C.F.R., Chapter I, Part 5 § 5.5(d)(3), requires that statements be certified, by the requester, to be "true and correct to the best of that person's knowledge and belief."

RIF

Please be advised, your request has been denied because you do not qualify under either category. Clearly, you have not demonstrated that there is a threat to the life or physical safety of an individual nor have you demonstrated there is a particular urgency to inform the public about the government activity involved in the request, beyond the public's right to know about government activity, generally. Your letter was conclusory, in nature, and did not present any facts to justify a grant of expedited processing under the applicable standards.

If you deem the decision to deny expedited treatment to your request an adverse determination, you may exercise your appeal rights. Should you wish to file an administrative appeal, your appeal should be made in writing and received within sixty (60) days of the date of this letter, by writing to: Freedom of Information Appeal, Deputy Director, U.S. Secret Service, Communications Center, 245 Murray Lane, S.W., Building T-5, Washington, D.C. 20223. If you choose to file an administrative appeal, please explain the basis of your appeal and reference the case number listed above.

As it pertains to your request for a fee waiver, it will be held in abeyance pending the quantification of responsive records. The FOIA regulations, Title 6 C.F.R., Chapter I, Part 5 § 5.11(k)(2)(3), set forth six factors to examine when determining whether the applicable legal standard for a fee waiver has been met. We will consider these factors in our evaluation of your request for a fee waiver:

- 1) Whether the subject of the requested records concerns "the operations or activities of the government;"
- 2) Whether the disclosure is "likely to contribute" to an understanding of government operations or activities;
- 3) Whether disclosure of the requested information will contribute to the understanding of the public at large, as opposed to the individual understanding of the requestor or a narrow segment of interested persons;
- 4) Whether the contribution of public understanding of government operations or activities will be "significant;"
- 5) Whether the requester has a commercial interest that would be furthered by the requested disclosure; and
- 6) Whether the magnitude of any identified commercial interest to the requestor is sufficiently large in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requestor.

If any responsive records are located, we will consider these factors in our evaluation of your request for a fee waiver. In the event that your fee waiver is denied, we shall charge you for the records in accordance with Interim FOIA regulations as they apply to "media" requesters. The first 100 pages of duplication are free of charge. As a "media" requester, you will be charged .10 cents a page for the duplication of each additional page.

Furthermore, the submission of your request is viewed as an agreement, by you, to pay duplication costs up to \$25.00. A search for files responsive to your request is being conducted. The appropriate components of the Secret Service are being queried for responsive documents. If any responsive records are located, they will be reviewed for a disclosure determination. You will be contacted before any additional fees are accrued.

RIF

Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Per Section 5.5(a) of the FOIA regulations, 6 C.F.R, Chapter I, Part 5, the Service processes FOIA requests according to their order of receipt.

Your request has been assigned FOIA File Numbers 20171601 and 20171602. We solicit your cooperation and assure you that the search will be conducted as expeditiously as possible. To check the status of your FOIA request, please contact this office at (202) 406-6370.

Please use the file numbers indicated above in all future correspondence with this office.

Sincerely,

(b)(6), (b)(7)(C)

No If yes, you must check the perjury statement: I declare (or certify, verify, or state) under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. By initialing here you are providing your electronic signature.: Louise Radnofsky Please describe the records you are seeking as clearly and precisely as

possible: Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to information about all recording systems installed by the Secret Service or another agency within the White House on or after November 8, 2017, including but not limited to instructions to create or amend such systems and descriptions of such systems, such as their location and details of their operation, as well as preservation practices established with relation to NARA. In addition, I request access to recordings or transcripts of any recordings made after January 20, 2017.

I am willing to pay fees for this request up to the amount of: \$: 5000 Select from the list below: A representative of the news media seeking information as part of a news gathering effort and not for commercial use.

I request a waiver of all fees for this request.:

Please provide an explanation for your request for a fee waiver: Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities, and I believe I am eligible for a fee benefit as a member of the news media. In the interests of speed, however, and recognizing the importance of the records in question, I am not seeking a fee walver and I am willing to pay all applicable fees under the fee benefit. Please alert me if you anticipate the fees exceeding \$5,000.

Please select and describe in detail if you believe your request warrants expeditious handling: An urgency to inform the public concerning actual or alleged Federal Government activity exists (This option available only for PERSONS ENGAGED IN DISSEMINATING INFORMATION).

Please provide information to support your selection: Through this request, I am gathering information about the operation of the White House complex that is of considerable and urgent interest to the public because of the current confusion over whether the President of the United States has a recording system in place for the public business being conducted within the White House, including but not limited to the conversations with former FBI director James Comey that brought this possibility to light. This information is being sought for dissemination to the general public. It would obviously meet an urgent need to inform the public about an actual or alleged federal government activity, among

them, the circumstances surrounding the dismissal of the FBI director, but also other matters of national importance and not insignificantly, the administration's compliance with NARA law.
